## Minutes of the 1<sup>st</sup> Meeting of The Board of Studies:

The meeting started with the welcome note by the Chairman, Department of Computer Science and Engineering. Dr. J. Indra, Professor, ECE presented the 1<sup>st</sup> and 2<sup>nd</sup> semester curriculum and syllabi of B.Tech – Information Technology.

### RESOLUTIONS:

Resolved to approve the following recommendations that may be passed to the standing committee of the Academic Council. The curriculum and syllabi for 1<sup>st</sup> and 2<sup>nd</sup> semester of B. Tech – Information Technology framed with choice based credit system under Regulations 2021 can be passed with the following suggestions.

- (i) University nominee appreciated that offering Problem solving and C programming course in the First Semester is the best option for students
- (ii) Members expressed that including a communication systems/engineering course in the second semester is a better choice so that students will learn the fundamentals.
- (iii) Members suggested to include Professional Ethics course in the higher semesters.
- (iv) Industry expert suggested to include foreign language courses and it was informed that the foreign language courses like German, French and Japanese were offered as one credit courses.

The meeting was concluded by Dr.J.Indra with a positive note of including the suggestions given by the experts. The discussions happened in the meeting were productive and constructive for the effective framing of the syllabi
