### Minutes of the 2<sup>nd</sup> Meeting of the Board of Studies:

The meeting started with a welcome note by the IT Board Chairman. She presented the Vision and Mission of the Institute and the Department. Further, Board Chairman presented the Curriculum of semesters 1 to 8 and Syllabus of semesters I and II under Regulations 2021.

Following points were discussed during the Board of Studies meeting.

### RESOLUTIONS:

#### 1. The Curriculum for I to VIII Semesters of UG Programme and Syllabi for I and II Semesters under Regulations 2021

Resolved to approve that the following recommendation may be passed to the standing committee of the Academic Council that the Choice-based Credit System based curriculum and syllabi for the B.Tech – Information Technology programme under Regulations 2021 be passed with the following suggestions.

## Department of Information Technology

KPR Institute of Engineering and Technology

- (i) Prof. Krishna Moorthy Sivalingam advised to include the course “Linear Algebra” instead of “Fourier Analysis and Partial Differential Equations” in the 2<sup>nd</sup> semester. He further advised that the Professional elective verticals may be narrowed down with best number of choices for students
- (ii) Dr. Maniklal Das suggested that the course “Data structures” and “Database Management Systems” can be studied consecutively in the third and fourth semesters and not during the same semester.
- (iii) Mr.HR Mohan advised that some IT audit related courses may be given in the form of electives.
- (iv) Dr.T.Poongodi appreciated the Employability enhancement courses in subsequent semesters.
- (v) Ms.M.Nivedha suggested to include Project management as one of the electives
- (vi) All the external members verified the credit distribution chart as per the AICTE Norms.
