CENTRE FOR INNOVATION, INCUBATION AND ENTREPRENEURSHIP DEVELOPMENT

ANNUAL REPORT ACADEMIC YEAR 2020-21

CENTRE FOR INNOVATION, INCUBATION AND ENTREPRENEURSHIP DEVELOPMENT 2020 - 2021

VISION

To create world class, self-sustaining business incubation centre & innovation ecosystem that will nurture knowledge based, socially relevant ventures creating economic impact on people in the regional state & nation at large.

MISSION

Committed to nurture and support creativity, innovation and entrepreneurship for establishment and growth of technology, to meet the social obligations and economic growth of the community.

OBJECTIVES

- Entrepreneur centric system
- Spirit of innovation, collaboration and entrepreneurship
- Stimulate culture of innovation, creativity, business process and product design knowledge
- Support and accelerate the development of innovations into prototype products with emphasis on societal impact and market demand
