Outcome :

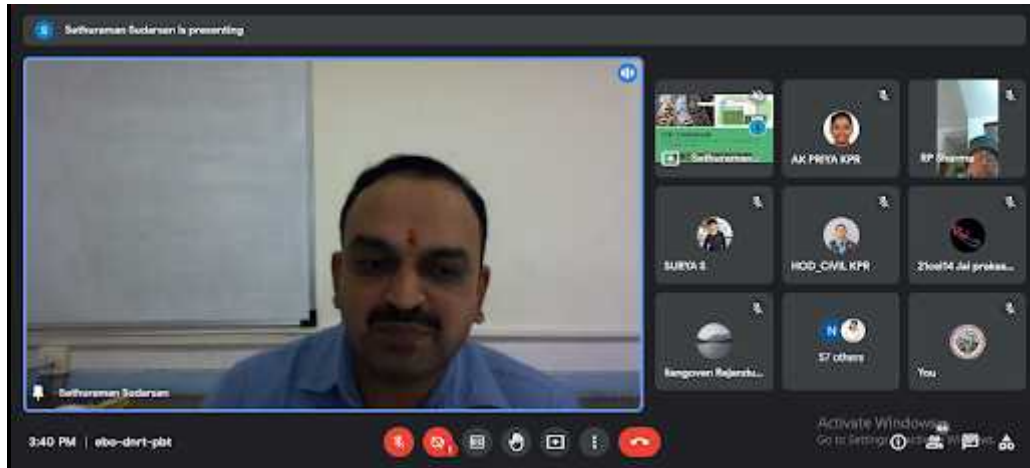

The Department of Civil Engineering, KPR Institute of Engineering and Technology, Coimbatore organised a technical webinar in association with the Institution of Engineers (India), Coimbatore Local Centre on 03 rd February 2022 (Thursday).

In the webinar, the guest speaker Dr J S Sudarsan, Assistant Professor, School of Construction Management, National Institute of Construction Management and Research, Pune, gave a lecture on “Green Construction Strategies in Building Construction”. Dr S Shanmugam, Chairman, IE(I), Coimbatore Local Centre welcomed the gathering. Dr G Anusha, Professor and Head, Department of Civil Engineering, KPR Institute of Engineering and Technology, Coimbatore presided the event. Lt. Dr A K Priya, Professor, Department of Civil Engineering, KPR Institute of Engineering and Technology, Coimbatore introduced the chief guest to the participants.

Dr J S Sudarsan, guest speaker explained the current trends and techniques in waste management. He gave insights about the conventional and advanced treatment methods available and its effectiveness in treatment. He also briefed about composting techniques and how effectively composting can be implemented in large scale. Nearly 75 participants attended the programme.

Finally Dr J Krishnamoorthi, Honorary Secretary, IE(I), Coimbatore Local Centre gave a vote of thanks.
