### **Outcome**

The programme was organized by the Civil Engineering Department in association with the MAAC Academy, KPRIET to make the students aware on the various aspects of architecture in civil engineering through Google Meet. Mr.K.S.Dhandapani addressed the students on the various opportunities available for the Civil Engineering students. He focused on the skills to be developed by the students to improve their designing skills in civil engineering using various software's. Resource person also clarified the doubts raised by the students on the aspects of software utilization as per vasthu. Total of 25 faculty and 150 students attended the programme
