

DEPARTMENT OF CIVIL ENGINEERING

REPORT ON WEBINAR “MODULAR BUILDING CONSTRUCTION”

The Department of Civil Engineering of KPR Institute of Engineering and Technology conducted an interactive session on “Modular Building Construction” on 22.10.2021. The main aim of this webinar is to make the students awareness about modular construction and advanced techniques in construction sectors.

Mr. S. Dinesh Kumar, M. Tech, Founder of Shiva property developers, Coimbatore and Tiruppur, gave a brief presentation on Modular Building Construction, the benefits over conventional construction, the highlighted points are Construction delays, Factory conditions, Material supplies, Manufacture of the modules and so on.

Finally, Mr. S. Dinesh Kumar interacted with the participants and answered their questions. Totally 50 participants participated in the webinar through google meet.
