Outcome

The programme was organized by the Department of Civil Engineering with an aim to make students be aware of opportunities available in civil engineering after their graduation. Session was conducted in online platform through zoom link. Resource person for the programme was Dr. Sunil Ranjan Mohapatra working as an Engineering Manager in NeXHS Renewables Pvt Ltd, Chennai. He handled the session with application point of view considering the ongoing projects in his company giving an overview of installing a wind turbine. He also explained the design process involved in erection of wind turbine where the role of a civil engineer is crucial. Resource person also clarified the doubts raised by the students on the aspects of software utilization. Total of 12 faculty, 51 students, 1 international participant and 9 industry persons attended the programme.
