## Outcome

The programme was organized by the Students affairs committee of KPRIET for the National youth day. The students got awareness on the various opportunities available for making zero waste projects on campus.

Ms. B. S. Meenakshi, Assistant professor (Sr.G), KPRIET, addressed the students and elaborated on the various awards and recognitions awarded to individuals and institutions both national and international level. It was very informative to learn about the innovative campus projects by using waste generated in the campus, she also illustrated the real projects developed to the students.

Resource person also clarified the doubts raised by the students on the projects. Total of 15 faculty and 40 students attended the programme.
