Co-conveners	: Dr. T. Gayathri, AP (Sl.G), BME

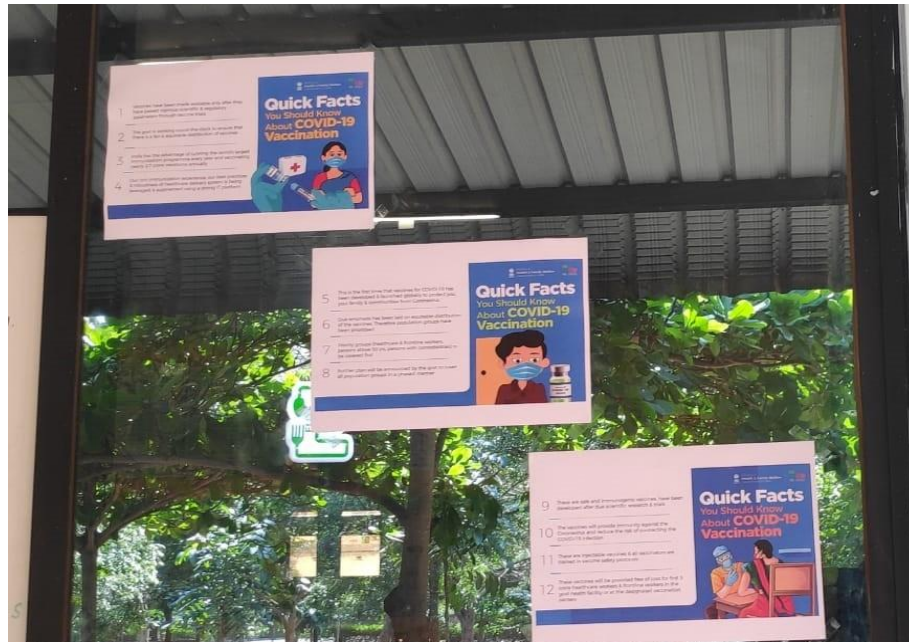

Indian government has put in lot of efforts in effectively facing the unprecedented public health crisis for the past several months in the form of COVID-19 pandemic. At this juncture of developing effective vaccines to tackle the situation, AICTE had requested institution's support regarding creating an awareness campaign on the vaccine roll out, disseminating the information and updates on vaccine benefits and rollout progress information among all students and faculty members. This dissemination will ensure maximum outreach amongst students, faculties, staff members and other within the campus. In support of the request from AICTE and Ministry of Health and Family Welfare, the materials shared were placed at prominent locations in the KPRIET campus.

1. Career Development Cell Notice board
2. The central Canteen
3. Hostel notice board
4. Department Newspaper stand

Further the information was shared with student and faculty groups. We support all activities initiated regarding proper information sharing among the community for the successful implementation of this drive which will be a big step towards mitigating the impact of this pandemic.

Event No.	:	2
Date	:	10.04.2021
Venue	:	KPRIET
Level of the Event	:	State
Type of Event	:	Institutional Social Responsibilities Activities
Title of the Event	:	COVID Vaccination Drive
In Association with	:	Sri Lakshmi Medical Centre and Hospital, Coimbatore
Convener	:	Dr. P. Sreelatha, Associate Professor / BME & Head / Medical Centre
No. of Internal Participant (Count)	:	Faculty : 28

Outcome:

Department of Biomedical Engineering and KPR Medical Centre organized a COVID vaccine drive for the employees of KPRIET. Entries for the willingness to get vaccinated were circulated among the employees. This program was initiated by the Principal to ensure that employees of KPRIET are protected from COVID. The vaccination was done at a multi-specialty hospital M/S Sri Lakshmi medical centre and hospital, Coimbatore. A total of 28 employees got vaccinated for their first dose of Covishield vaccine. The vaccination was carried out under the supervision of Dr. D. Suresh Kumar, MBBS.,MS., FMAS.,FAIS, consultant General & Laparoscopic Surgeon, Endoscopist. Transport was arranged by the KPR transport department.

During the vaccination drive, important vaccination related information was deliberated to the employees before they got vaccinated individually. Necessary medicines were prescribed which will be helpful to control symptoms like headache or fever as a precaution. The event was organized by Dr. P. Sreelatha, Head, KPR Medical Centre.

Event No.	: 3
Date	: 16.04.2021
Venue	: KPRIET
Level of the Event	: State
Type of Event	: Awareness Camp
Title of the Event	: Eye Camp
In Association with	: Aravind Eye Hospital, Coimbatore
Convener	: Dr. P. Sreelatha, Associate Professor / BME & Head / Medical Centre
No. of Internal Participant (Count)	: 326

Outcome:

Department of Biomedical Engineering and KPR Medical Centre organized a free eye camp in collaboration with Aravind Eye Hospital, Coimbatore for the employees of KPR Institute of Engineering and Technology and KPR Arts and Science College. The camp was inaugurated by Dr. M. Akila, Principal of KPRIET and the other dignitaries present were Dr. S. Balusamy, Principal of KPR CAS, Dr. S. Renganayagi, Chief Doctor of KPR Medical Centre, Dr. D. Ganeshkumar, HOD, Biomedical Engineering Department.

Dr. M. Akila invoked the audience about the necessity of regular eye check-ups. During this COVID-19, the management has arranged the free eye camp to all the teaching and non-teaching staffs under the guidance of Dr. A. M. Natarajan, Chief Executive of KPRIET. Nearly 326 members have participated in this eye camp. During the eye camp, screening was done for blood pressure, myopia, hyperopia, diabetics, retinal wellness, lens and all other eye related issues. The event was organized by Dr. P. Sreelatha, Head, KPR Medical Centre.
