Nodal Document Centre KPR Institute of Engineering and Technology

Youth Parliament KPRIET conducted a quiz event "MASTER MINDS" (Quiz Master) on the special occasion of "INTERNATIONAL LABOUR'S DAY" The event was started on May 1, 2021 by Youth Parliament KPRIET. The main motto of the event was that everyone should know the importance of Labour's day and also, they should know why we celebrate it every year. Through this event, the participants' idea on Labour's Day was also known. Our quiz event made them think more. We conducted this event for 7 days. Our club members shared the poster, link and Google form to various colleges, schools and also to the general public. Successfully the event was ended on May 8, 2021. The event had gone through 347 clicks and we received 230 responses. Screenshot of responses and event poster has been attached below. Finally we made this as a successful outreach event.

MASTER MINDS REPORT

FACULTY COORDINATOR:
