Outcome

The event aimed at equipping students with valuable insights into making informed career choices.

Event Summary

The Career Guidance Program by Clinical Psychologist Mr. Babu Rangarajan, hosted on August 2nd, 2023, at the Thanam Hall of GRD CPF Matric Higher Secondary School, Neelambur, was an enlightening and empowering event aimed at equipping students with valuable insights into making informed career choices. Organized by the Department of Civil Engineering, the program brought together students, faculty members, and esteemed professionals to shed light on various aspects of career planning and development. The event commenced with a warm welcome address delivered by Dr. R. Saravanakumar, who emphasized the significance of career guidance and the role it plays in shaping students' futures. His words set the tone for the day's proceedings and instilled a sense of anticipation and enthusiasm among the attendees. Following the welcome address, Mr. A. Vasudev, a distinguished GATE trainer, took the stage to share essential tips and strategies for excelling in competitive exams. Mr. Vasudev's engaging presentation focused on effective study techniques, time management, and stress reduction, which are crucial for students aspiring to pursue higher education and professional courses. The highlight of the event was the insightful speech delivered by Clinical Psychologist Mr. Babu Rangarajan. With his extensive experience in the field of psychology, Mr. Rangarajan captivated the audience with his deep understanding of human behavior and aspirations. He delved into the importance of self-awareness, personal strengths, and mental well-being in making career decisions. His guidance resonated strongly with the students, encouraging them to introspect and align their career choices with their passions and abilities. The event concluded with a lively Q&A session, during which students actively engaged with Mr. Rangarajan, seeking advice and clarifications on topics ranging from academic stress to coping mechanisms.
