Outcome

Academic Achievement: Students gained firsthand knowledge from Sunway University and Multimedia University, enhancing their academic understanding. Engaging lectures and discussions broadened perspectives on global trends and practices in engineering and technology. **Cultural Immersion:** Exploration of Genting Highlands, Batu Caves, and Kuala Lumpur City provided a rich cultural experience. Exposure to Malaysia's diverse cultural landscape fostered cross-cultural appreciation and understanding. **Networking and Collaboration:** Meaningful interactions with international students and faculty members facilitated networking opportunities. Discussions with professionals and experts opened avenues for potential future collaborations and partnerships. **Personal and Professional Development:** Participants developed teamwork and leadership skills through group activities and real-world challenges. Exposure to Malaysia's vibrant economy and technological advancements inspired career aspirations and personal growth. **Global Awareness and Perspective:** Participants gained insights into Malaysia's socio-economic dynamics, contributing to a more comprehensive global perspective. Understanding the importance of global collaboration for addressing challenges in engineering, technology, and academia. **Career Impact:** The experience influenced participants' career choices, with some considering international opportunities. Exposure to diverse educational systems and practices provided a competitive edge in the global job market. **Acknowledgments and Appreciation:** Gratitude to Dr. J. Suryakanth, Dr. P. Ravikumar, and Principal Dr. M. Ramasamy for their vision and support. Recognition of Dr. V. Rajeshkumar's leadership and the dedication of the Student Affairs team for the successful execution of the trip. **Captured Moments:** Lasting memories and shared experiences captured through photos and anecdotes. The event showcased the vibrant spirit and enthusiasm of KPRIET students in embracing global opportunities. **Realizing Educational Goals:** The trip not only met its objectives but surpassed expectations, providing a transformative experience that will resonate in the academic and personal journeys of the participants. #KPRIETMalaysiaTrip #GlobalEducationSuccess

Event Summary

Introduction: The International Education Visit to Malaysia, organized by the Student Affairs office at KPRIET, aimed to provide students with a global learning experience. The event was initiated under the guidance of Dr. J. Suryakanth, Director of Student Affairs and Alumni Relations, and Dr. P. Ravikumar, Head of Student Affairs and Alumni Relations. The trip, approved by Principal Dr. M. Ramasamy, included a group of 18 students led by Dr. V. Rajeshkumar, Head of Sangamam, who accompanied the students throughout the

journey. **Objectives:** Academic Exposure: Gain insights into international educational practices and advancements. Cultural Immersion: Explore and appreciate the cultural diversity of Malaysia. Networking Opportunities: Foster connections with international peers and professionals. Personal and Professional Development: Enhance leadership and teamwork skills; inspire career aspirations. Global Awareness: Understand the socio-economic and technological landscape of Malaysia. **Itinerary:** Day 1: Departure from KPRIET to Cochin International Airport; Flight to Kuala Lumpur. Day 2: Visit to Sunway University and Multimedia University. Day 3: Exploration of Genting Highlands and Batu Caves. Day 4: Kuala Lumpur City Tour and visit to Putrajaya. Day 5: Return from Kuala Lumpur Airport to Trichy Airport. **Global Awareness:** Participants gained a broader global perspective, understanding Malaysia's socio-economic dynamics and technological advancements. **Acknowledgments:** The success of the event was made possible by the unwavering support of Dr. J. Suryakanth, Dr. P. Ravikumar, and Principal Dr. M. Ramasamy. Special thanks to Dr. V. Rajeshkumar and the Student Affairs team for their leadership and dedication. **Conclusion:** The International Education Visit to Malaysia was a resounding success, achieving its objectives and providing participants with a transformative experience. The event not only contributed to academic growth but also instilled a global mindset among the students, preparing them for future challenges in the global arena.
