Event Summary

Paper Presentation is one of the prime event organized by the Department of Computer Science and Engineering. A total of eighteen teams presented their ideas and shared their project insights during the presentation. A general rule of 8 minutes presentation and 2 minutes query was fixed by the panel of jury. Ms.Jincy Denny, Mr. Naveenkumar M and Mr.Kandasamy S acted as the members of jury. Their expertise in the area of Artificial Intelligence, Internet of Things, Image Processing and Computer Vision gained them the confidence to motivate and support the young budding engineers to share their ideas and project insights. The panel not only motivated them but also provided strong suggestions to help the team enhance their project works further. Three top performing teams had to be selected at the end. The rubrics set for choosing the best presenter were Communication, Content, Novelty and Team work. All teams showcased their best to win this competition. The first prize was won by Mr. Mohan and Mr. Sudarshan of Kalaignar Karunanidhi Institute of Technology, Coimbatore. The second prize was won by Mr.Gokul and Ms.Nivedhitha of Sri Krishna College of Engineering and Technology, Coimbatore. Finally, the third prize was won by Ms. Rohini of KGiSL, Coimbatore.
