1	Saravanan R	Coordinator

Outcome

To create plastic free and tobacco free environment awareness.

Event Summary**Earth is our home and environment is the roof, keep both clean.**

ECO Club of KPRIET Sangamam primarily focuses on enhancing the beauty of our nature by removing harmful things that are not safe for our mother nature. On this note, we created awareness among the general public on "Plastic free environment" by collecting all the plastic wastes scattered on the way from LPT to our college main gate. 20 ECO warriors along with NSS and UBA team members actively volunteered in this event and made awareness on the Plastic free environment. Also, we proudly shared that our KPRIET is a "Tobacco free campus". We also assure that we will create tobacco free safety soon.
