The Department of ECE has organized a HAM Awareness program on 04.01.2020 (Saturday). Mr.R.Karthikeyan of KCT HAM club is the resource person. He addressed the interested II and III year ECE Students (60 no’s) in Veena hall. He started with introduction about HAM and gave information about services offered by HAM members to the society during natural disasters. He also shared his experiences as a participant in some of the contests conducted by HAM fraternity. Students were interactive and enquired about the licence procedures and the eligibility criteria during the session. A demo session was arranged after the lecture and a quiz program was conducted for students. The HAM club of KCT presented a memento to KPRIET and the session came to the end.
