

Report on **EXULT 2K19 CULTURAL**

The “**EXULT 2K19**” -cultural fest was organized on 07.09.2019(Saturday) for the students of Electronics and Communication Engineering department from 03:30 p.m. to 04:45 p.m. in open air theatre (OAT).

The department cultural fest started with a prayer song, followed by II, III and IV year students performance such as dance, MIME and mashup song. Some special events like judo, Silambam and Skating were also performed by our students, which created an awareness and motivated other students to learn our tradition and martial arts which build a self-confidence. Dr.B.Jaishankar, AsP/ECE gave a special performance by singing a song which encourages the student to participate in all forthcoming rejuvenating activities. Participants were able to bring out their talent through this event.

Finally, the cultural fest was ended with a flashmob and a photo session.
