Dr.B.Jaishankar, AsP/ECE  
Mr.K.Siddharthraju, AP/ECE

**30.07.2019**

**ECE Classroom**

**02:00pm to 03:30pm**

The Department of ECE in association with IPC/ECE has organized an alumni guest lecture on 30.07.2019(Tuesday).

Mr.Joshigasanth(2017 passed out) is pursuing his Master degree in Electronic embedded System in ESIGELEC University, France.

He addressed higher studies aspiring III year ECE Students (60 no's) in ECE classroom. During his discussion, he shared his experience of pursuing a MS in France. Also, he addressed the importance of doing live projects during the UG degree program.

Students were interactive and enquired about the admission procedures and the eligibility criteria during the session. Also, he shared his experience of cultural diversity in his university and discussed about being a successful team player. He insisted the students to get individual goals and the importance of self learning to achieve the goals.
