**Report on INZENIR'S DAY**

**September 15, 2018**

The **Department of Civil Engineering** in association with **Naanal Club** organised the event **INZENIR'S DAY** on **15<sup>th</sup> September 2018**. The event starts followed by the inauguration ceremony given by Head of the Department **Dr. G. GaneshPrabhu** followed by tree plantation by civil department faculty members.

Totally eight technical and fun events such as Treasure Hunt, Fun Zone, Too Short, IPL Auction, Quiz, Meme Contest, C Draw and Debate were conducted. The activities carried in each events are discussed as follows with relevant photographs.

**1. Seed Ball**

The program starts with environmental friendly activity “SEED BALL” which includes plantation of trees by civil department faculty members. “Naanal Club” is an ECO club which especially promotes the improvement in environmental quality. Further, seed balls are placed at various places as a part of tree plantation. This event also motivate the students to keep their surroundings green and clean by undertaking plantation of trees.

## 2. Fun Games:

To encourage the students to promote the active participation in fun activities according to their interests and abilities.

## 3. Treasure Hunt:

Treasure hunt is one of game among various types of games, here the players who try to find hidden objects or places by following a series of clues. Various civil engineering tools and items were hidden by organizers and asked the participants to find the items.

## 4. Too Short:

Organizing committee have prepared a 30 minutes video. Based on the video, questions were arised to the participants. This event was quiet interesting among the participants.

## 5. IPL Auction:

Each team is assigned a specific budget to make their bids on players. The players who are going under the bidding process have to set a base price which will be the beginning price for the auctioneers. Based on the bidding atlast winning team will be selected.

## 6. Quiz

Quiz is a form of game or mind sport, in which the players (as individuals or in teams) attempt to answer questions correctly. It is a game to test their knowledge about a certain subject. Various questions were prepared and asked the students to gain the knowledge in the field of civil engineering.

## 7. Meme Contest

To improve the creativity power among the students, Meme contest has been organized. Students were created many memes according to new trends it was enjoyed by the participants as well as audience.

## 8. C Draw

In order to make awareness among the students cadd contest (C draw) has been conducted. The plans are given and asked the participants to draw the same in software within stipulated time.

## 9. Debate

Debate is a process that involves formal discussion on a particular topic. In a debate, opposing arguments were put forward to argue for opposing viewpoints. This event makes more modern thinking among the audience and participants. The topics were given for two teams and debate has been conducted.

**Validictory function:**

Medals and certificates were issued to the winners and participants for various events.

**Faculty Co-Ordinators**

Mr. K.S.Elango  
Ms. V. Kalaivani  
Assistant Professors  
Department of Civil Engineering

**Students Co-Ordinators**
