

KPR Institute of Engineering and Technology

Department of Civil Engineering - Program Organised (2017 - 2018)

S.no	Program	Date
1	Science day 2018 - Science and Technology for a sustainable future	28.02.2018
2	Seminar on Advanced construction techniques in civil engineering	15.02.2018
3	Naanal Club – Varnam 2018	12.01.2018
4	Technical Quiz by IGS Chapter Coimbatore	10.11.2017
5	DST-SERB Sponsored National Level Workshop on Green Construction Techniques for Climate Resilient Affordable Housing	03.10.2017 to 04.10.2017
6	Sustainable Infrastructure Development	29.09.2017
7	Kalikrates 2017	23.09.2017
8	Seminar on Natural resource conservation and management	20.09.2017
9	Guest lecture on Construction Materials and Construction Practices	16.09.2017
10	Urbanization and water quality issues, challenges and possible solution	11.09.2017
11	Seminar on advance technology in sewage treatment	26.08.2017
12	Workshop on Advancements and challenges in Water supply systems	11.08.2017 to 12.08.2017
13	Pile Foundation Techniques	26.07.2017
14	Practical Aspects in Construction	12.07.2017
15	Advancements In Indian Railways – Construction and Maintenance	11.07.2017
16	Present and Future Trends in Civil Engineering	23.06.2017
