## Industry Expert Guest Lecture on **OPPORTUNITIES IN CORE INDUSTRIES**

The Guest lecture was organized on 22.07.2019(Monday) for 25 students from IV year Electronics and Communication Engineering department.

The guest lecture was conducted by ECE Department, KPRIEnT, and Coimbatore. The guest lecture was organized by faculty coordinators Ms.R.Dhivyadevi and Mr.T.Shanmugaraja. The session was ignited by **Mr.Dinesh Ponnusamy- Founder & CEO of Sai incubation, Coimbatore** with his focused and experienced speech on “**OPPORTUNITIES IN CORE INDUSTRIES**”.

The expert addressed the demand for the skillful technical young fresher's in core industries throughout his discussion. He highlighted the importance of updating oneself to fill the industry academic gap. Also, he assured core placement for the interested students who are ready to get along with his industry training platform.

Participants were interactive throughout the session and could able to understand the importance of basic electronics in core industries. We are sure that this Guest lecture will benefit all aspiring participants who are interested in getting placement in a core industry.
